MEET THE TEAM

DENNIS LATEGAN

DIRECTOR & DEVELOPER - ENGINEERING DEPARTMENT

Dennis is a dedicated leader who has been an integral part of Meacon Funeral Equipment since 2006. Building on the legacy of his father, Andre Lategan, the founder of Meacon, Dennis has successfully taken the reins and continued to drive the company's mission forward. With his expertise and passion, Dennis has helped shape Meacon into a renowned provider of funeral equipment, upholding the family's commitment to quality and service.

TRUDIE CLOETE

DIRECTOR & DEVELOPER - SEWING & BRANDING DEPARTMENT

Trudie is a key member of the Meacon team, joining in 2012. As the daughter of Andre Lategan, Meacon's founder, Trudie brought her passion and expertise to the company. Starting in sales, she successfully built and now leads the Sewing and Branding Department, driving innovation and excellence in Meacon's products and services.

JENE LATEGAN

SALES

Jene joined the Meacon team in 2017 and has been a vital part of the company's success. As the main sales representative, Jene has built strong relationships with clients and consistently delivers exceptional service. Additionally, she plays a key role in managing the company's accounting and back-end operations, ensuring seamless day-to-day functioning.

RICARDO VAN NIEKERK

Operations

Ricardo has been supporting Meacon's factory operations since 2015, playing a key role in ensuring efficient production processes and smooth day-to-day operations.

ABOUT US

Since 1992

"Since 1992, Meacon CC has been the premier manufacturer of funeral equipment in Southern Africa. Headquartered in Centurion, Gauteng, we specialize in designing, manufacturing, and servicing a comprehensive range of funeral-related equipment, delivering exceptional quality and reliability to the funeral industry."
